1 Whether the Prescribed scale is maintained as per standing orders

The question is not one coming under the purview of any of the standing orders The Municipal Commissioner is an independent Officer and Executive head of the Council and when all the Sectional Officers have one Daffedar as the head of the Menials of the respective Sections, the Municipal Commissioner needs one to regulate the work of the peons Further the denial of the privelege of having a Jamedar was felt rather inquitable

Since the President has been provided a Jamedar, it behoved that the Municipal Commissioner should also have one

(ii) The Number of Officials in the Office of the Municipal Commissioner, Revenue Office, Engineering Section, Octroi Office and the Number of peons employed in each section

Name of Section	No of Officials	No of peons	Jamedar Daffeda
President Office	1	2	1
Commissioner's Office	20	9 (including 2 cycle orderlees or circulation peons)	-
Engineering Section	17	4	1
Health Section	7	3	1
Revenue Section	27	14	1
Octroi Section	8	6	1
	~~80~~	36*	~~5~~ 5

* These are exclusive Conservancy, Octroi and Toll peons, whose work is not attached to Office

P T O

(iii) Whether there are any extra hands over and above the prescribed Number?

The work in the Office of the Municipal Commissioner is very heavy and ~~requirengra~~ requires constant attendance right up from the morning till late in the evening and supervision over the menials regarding the detailing of the work

In these circumstances I request that orders of Government may be obtained sanctioning the resolution of the Council to provide One Jamedar to the Commissioner's Office in grade Rs.30-1-35 Plus D A

Yours faithfully,

(A Viswanath)
